RELOCATIONS PVT. LTD.

HARSHA RELOCATIONS PVT. LTD.

Worldwide Movers

Our Core Services

International Moving

Harsha Relocations Pvt. Ltd. will ensure a well governed and smooth door to door relocation anywhere in the world, using a global network of high quality service providers. Each individual shipment is strategically planned and coordinated from specialized export packing, custom clearance, freighting and full service delivery at destination. Harsha Relocation Services has created a niche market in expatriate community, corporate relocators, individual and group relocation. On an average, we are involved in moving over 4000 families, delegates & corporates each year. We offer efficient removal solution through sea, air or road.

Domestic Moving

Domestic Relocation proves the toughest job for every packer & movers because of transportation of personal and high sentimental value of household goods and personal effects. You don't need to worry on any ground if you are looking for the most effective Service provider to enjoy the best of relocation at affordable price. Harsha has devised convenient and brilliant ways to move its customers house holds or vehicles anywhere within India. Our services are designed proficiently to meet the maximum customer satisfaction and they are also rendered in such a way that comes out high on client's expectations.

Office Relocation

Proper Planning and strong coordination are the foundations of a successful office relocation. Office relocation plans are carefully drawn up to allow for maximum flexibility and include information such as resources required and activities to be executed minimising the loss of productivity for your business.

Depending on the size of offices being relocated, one or more pre-move meetings may be necessary to determine the specific needs of all departments in terms of different phases of the relocation.

Art Moving

Quick & Safe Packing

We know how important it is for a client to have peace of mind in knowing that their valuable art is being handled with precision and care. We maintain the pristine condition of every piece of art, we are tasked to move. We use the highest quality packing and protective equipment to ascertain that your art will be delivered in the same flawless condition when they were picked up.

Moving Safety

Unlike regular movers, our art movers use the best tools for the job. We use special containers for all size of art to make sure that the artwork is in pristine condition at all steps of the process, from packing to shipping to final delivery

Deliver Safe

We believe your art is a reflection of who you are, so after the secure transit, having your art hanging up in your new home or office as soon as possible and delivered Safely will make your space personalized with your own unique personality in no time.

Storage & Warehousing

At Harsha we offer long and short term storage depending on the need and requirements of the customer. We understand that sometimes settling in and looking for new residence takes longer time and customer wants a safe and secure handling and protection of their in valuable personal belonging.

We Offer Warehouse Services at very economical prices under the vigilance of our experienced professionals who possess vast storage solutions.

Pet Relocation

Relocating pets is an important service. Thousands of pet parents all over the world need shipping for their dogs, cats as well as birds and other small animals for different reasons, including home relocation. A new job, family vacation. attending school, new ownership, over the internet from rescue shelters or adoption agencies and pcs members. Planning a pet move can be overwhelming and time consuming. Let us do the work and wade through the lengthy sometimes confusing process for you. We Know how precious a pet is to your family & we take care of our furry friends like our own.
